Dear Ms. Lois Nix (Hand in Hand),

On behalf of the fourth grade students, the teachers, and the parents of Black Mountain Elementary School, we would like to offer a great BIG THANK YOU for all the financial support you provided to our students on the recent field trip to Cherokee, North Carolina. You made it all possible for many "needy" boys and girls at Black Mountain Elementary School. We think of you as our Guardian Angels. As teachers, we were so delighted to be able to provide this experience to our boys and girls, thanks to you all. Please share our deep appreciation with the Hand in Hand Organization of the Swannanoa Valley. Thank you.

Sincerely,

James T. Griffin
